International Studies, Anthropology  
and Sociology, Religion, and the  
WAGS and Entrepreneurship  
Programs.*

**Patricia Nazario** is an international and Congressional Award distinguished journalist. In 2008, gourmet food trucks became a pop-culture phenomenon. Nazario noticed mostly gourmet, but also some traditional trucks were parking where Mexican-owned taco trucks were not commonly welcomed before when she was a girl. ***Backstreet to the American Dream*** is a modern-day look at the classic American Dream done through the quintessential 21st Century entrepreneurial endeavor – food trucks!

*This event is free and open to the public.*
